Term 4 2014

We hope you have enjoyed the time with your child/ren during your Kindergym class this year. As you know I am about to have our twins, this meant finding a new KinderGym coach. We are so pleased to welcome Georgie. Georgie holds her accreditation in coaching. She has a passion for the sport of tumbling and trampoline, being once an athlete herself. While I will not be seen in the gym as often I will never be far away. I am looking forward to working in the background with Georgie planning the themes and evaluating the classes.

We are very excited to share that our last club fundraiser was raising funds toward new KinderGym equipment and resources. Look out for some new apparatuses in 2015.

It has been great to see the children's faces each week as they enter the gym and see the gym transformed into the different themes, we have had fun incorporating Under the Sea, Circus, Animals, Teddy Bears Picnic and Transport this term. All the themes encouraged the children to use their imagination whilst learning the basics and fundamentals of gymnastics. We look forward to finishing off our last week of the year with our Christmas Party.
