

# KSTP KinderGym News

Term 3 2014

We hope you are enjoying the time with your child in our Kindergym class so far! We love seeing you all each week. Our Kindergym program is growing rapidly and we are committed to developing the program. We believe for those families that are interested that our Kindergym classes can be the beginning of a bright future within our club. These early movement programs provide a strong foundation to ensure your child develops coordination, balance and social skills through gymnastics activities.

We are very excited to be purchasing some more equipment and resources for our classes in the coming weeks. In the near future we will introduce special 'Theme Weeks' which will encourage the children to use their imagination. Our aim is to continue building on the 'excitement' of the class while keeping the 'basics and fundamentals' of gymnastics.

Your feedback is very important to us, you know your children the best, and we love to hear your ideas, comments and suggestions. In term 4 we will be sending out member questionnaires, this will be the ideal time to share your thoughts and ideas with us.

## Tiny Tumblers

We are still very interested in starting up our Tiny Tumblers class again. This would be the class the children move into when the coach feels they are ready to participate without mum, dad or their grandparent. Class times we feel may work are 11.15am to 12.15pm following the kindergym class or an afternoon class around 1.30pm to 2.30pm just before school pick up. We welcome you feedback and suggestions on what would work for your family, so please mark your preferred option on the form at the front desk.

We believe the Tiny Tumblers class is an important transition for children who will continue to move through to the afternoon programs. If you are interested in considering this class, please have a chat to Bec or drop us an email.

## End of year concert

**KSTP's Annual Showcase -  
Saturday 13th December**

We would like to invite our Kindergym families to be part of our end of year showcase. This years theme is 'Jungle Safari'. Our showcase is a lovely way for each class to perform their skills in front of their families and friends. The children are encouraged to come dressed as their favourite jungle animal. We hope to see lots of monkeys, zebras and other jungle animals. We really hope your child can be part of the show.
