

**LOULE' WORLD CUP  
LOULE' CUP INVITATIONAL  
4<sup>th</sup> – 7<sup>th</sup> October 2018**

The school holidays for our High Performance athletes was something out of the ordinary, our team of 16 athletes, coach Dima and Team manager Bec traveled to Portugal for a whirlwind trip to compete at the Loule' Cup Invitational and Loule' Senior World Cup. What's the difference you may ask, well, the Loule' Cup is a competition where you compete for your club, whereas the Loule' World Cup is a competition where you represent your country. This was KSTP's first time at either event and we certainly know it won't be the last!

**FINAL WRAP UP- LOULE' CUP, PORTUGAL**

Well, how do we put into words one of the greatest weeks in KSTP's history to date!! Not only did our combined results far exceed our expectations, but our team had such a great week in beautiful Portugal, making new lifelong friends and gaining invaluable experiences both in life and in their sporting careers.

## FINAL WRAP UP LOULE' WORLD CUP!

What an experience it was for us all to be part of a Senior World Cup. Jack Hemmings (20) Blake Grainger (19) and Ethan McGuinness (17) all represented KSTP and Australia very strongly against a field of some of the best tumblers in the world. Just to be standing alongside such athletes, athletes they all follow and look up to was amazing for our boys so to see them then be competitive, and then see both Jack and Ethan in the final, was something else.

The results saw Blake finish in 14th, Ethan in 7th and Jack in a very commendable 4th place. Congratulations to all 3 boys along with their families and of course coach Dima who was the National Tumbling Coach. We are so proud of you

## THANK YOU!

To all our wonderful sponsors we can't thank you enough for your generosity, as you would expect, a trip such as this has many costs associated to it, we are very grateful for your support. To all the families and everyone back home who were following comp at all hours of the night/ morning, thank you for your support. To our amazing team of coaches and staff both with us in Portugal and keeping things running back home, you are the best and well done! To our judges from Portugal who we were so fortunate to get in contact with, you are definitely part of our KSTP family.

Congratulations Team KSTP, we continue to grow and challenge ourselves in all places and ways. You were outstanding, we are so proud of you all. Portugal and Loule' Cup....we'll be back!
