Welcome to KSTP

Kachan School of Tumbling & Performance (KSTP) provides a safe, fun environment for children of all ages and abilities.

Operating since 2009, KSTP is a family run business with owners Dzmitry and Rebecca Kachan locals in the Hawkesbury.

Our team is dedicated to the disciplines of Tumbling, Double Mini Tramp & Trampolining, with all coaches holding a current working with children check as well as their appropriate coaching accreditation through Gymnastics Australia.

At KSTP, our focus is on providing a quality experience for all our members by nurturing each student's strengths and building a sense of confidence and achievement.

Our programs focus on fitness and strength, rather than body image, which we believe is a healthy attitude for the development of your child whatever program they participate in and is perfect for both boys and girls.

KSTP puts as much emphasis on quality recreation programs as we do for our elite levels. Our programs are created in conjunction with Dima ensuring children at all levels continually learn and develop their skills.

Dima is head NSW and Australian tumbling coach. He has developed National tumbling and trampoline competitors who have gone on to win many titles. Internationally we have a good reputation in tumbling, competing at the World Age Group Competition in 2013, 2015, 2017, 2018 each year having many finalists and bringing home medals including Gold and Silver.

We look forward to welcoming you to our centre and will be happy to discuss class options with you.

LaunchPad - A Time To Move

KSTP are pleased to be part of LaunchPad, an initiative of Gymnastics Australia.

LaunchPad programs have been expertly designed by Gymnastics Australia to cater for all stages of physical, social and cognitive development.

LaunchPad's programs rely on safe and enjoyable activities that challenge participants, relative to their developmental stage.

KSTP use the LaunchPad initiative for our GymFun and GymSkills programs.

Classes

GymFun - Junior Recreation (5-7 year old's)

GymFun is just that- FUN! If kids are enjoying what they're doing, they're more likely to want to do it again. In GymFun, we focus on fundamental movement patterns that help kids progress into more advanced skills or sports. The activities in GymFun are safe and engaging and encourage kids to work with others and build self-esteem. This is a great program to gain understanding about general gymnastics skills.

GymSkills - Intermediate Recreation (8-11 year old's)

As children develop more control of their bodies through fundamental movement, we can start to introduce activities more specific to certain sports, without being too serious or repetitive. Kids involved in GymSkills will improve their fitness while still having fun. The skills learnt are specifically related to trampoline and tumbling along with the safe practices of them.

Triple T - Teens Tumbling & Trampoline - Teens Recreation (12-15 year old's)

Our Teens Tumbling & Trampoline class is a non competitive program. Triple T focuses on building skills, fitness and strength while enjoying the company of like minded teens. Participants will use some of the most sophisticated equipment in Australia to assist with learning some new tricks and exciting skills on the trampolines & tumbling air floors.

Holiday Program

The KSTP Holiday program caters for members of our gym and the local community. The program is a fun, action packed day for school aged children. Please contact our front office for dates.
