

Welcome to KSTP

Kachan School of Tumbling & Performance (KSTP) provides a fun and safe environment for children of all ages and abilities. Operating since 2009, KSTP is a family run business with owners Dzimtry and Rebecca Kachan locals in the Hawkesbury.

Our team of experts are dedicated to the disciplines of Tumbling, Double Mini Tramp & Trampoline, and all coaches hold a current working with children check as well as their appropriate coaching accreditation through Gymnastics Australia. Our aim is to deliver quality services and education to enrich the lives of children, providing them with an environment where they can thrive, excel and achieve through dedication, commitment and hard work.

At KSTP, our focus is on providing a quality experience for all members nurturing each students strengths and instilling a sense of confidence and achievement. Our programs focus on effort and attitude, which we believe is important for the development of your child no matter the program they participate in. All programs and plans are created under the guidance of our head coach, ensuring children at all levels continually learn and develop their skills safely.

Our head coach Dima is the NSW and Australian tumbling coach, developing National tumbling and trampoline competitors who have gone on to win many titles. Internationally we began competing at the World Age Group Competition in 2013, and Senior World Championships in 2019. Amongst numerous world medals, we had an athlete become the Senior World Tumbling Champion in 2022 and again in 2025.

In 2025 we also had numerous representatives on State and National teams brining home several medals from the Australian Gymnastics Championships, a bronze medal in the U15 World Age DMT Competition, plus Gold in the Junior World Championships for DMT and tumbling. As a club we have won the GNSW State Levels Championships and Coaching Team of the year since 2015 and in 2018, 2022 & 2023 were the recipients of Gymnastics Australia's Trampoline Sports Coaching Team of the Year.

We look forward to welcoming you to our centre and will be happy to discuss class options with you.

KinderGym - From 18mths

KinderGym has been founded on child development principles & promotes active involvement of the child’s caregiver. Whilst not only encouraging physical growth through endless movement activities, KinderGym promotes cognitive functioning as they create, construct and solve problems with their bodies through a variety of gymnastics related circuits. KinderGym is considered the nursery of development and with engaging themes and exciting movement patterns, it’s an enjoyable time for both parent/carer and child.

Tumble Tots - Approx. 3 1/2 - 5 year old's

At KSTP we recognize that as children progress they like to become more independent in their learning and how they go about tasks. Our Tumble Tots program is the learning platform for our independent programs. The class follows the same principles as KinderGym with the difference being that the parent/carer is not involved in the class. Children are required to be toilet trained to commence this program. The program is a great introduction into the specific skills of trampolining and tumbling, and the ideal transition for children who are invited to move into our Tiny Tumbler program.

Tiny Tumblers - Approx. 4 - 5 year old's

Tiny Tumblers is an extension of our Tumble Tots program and is a natural progression that will continue working on the basic fundamental movements that carry children through all types of sports. Children join this program by invitation from the coach, there is no said age to join, rather when a child is confident with what we do.

Mini Stars – by selection

This program is for children excelling in Tiny Tumblers who wish to join a development squad when they commence school. Mini Stars prepares students by seeing them attend twice in a week. This naturally aids the skills required for our Pre Competition Squad once the child begins school.

Pathway for Pre Schoolers

Our Under 5 pathway starts at KinderGym, children who commence in KinderGym have a better understanding of the format of KSTP, although it is not a requirement, it is beneficial.

Our Under 5s programs rely on safe and enjoyable activities that challenge participants, relative to their developmental stage. This pathway has successfully prepared students who wish to move into squads by the age of 5.

What is the difference between Tumble Tots and Tiny Tumblers & when can my child move?

Tumble Tots is the learning platform for our independent programs. In this program the children will learn important skills such as following in a line, sitting in their own space, waiting their turn, learning their shapes and what the equipment is used for.

Once a child has a sound understanding, they are invited to trial in the Tiny Tumblers program. This is an extension for children with experience in our surrounds and the fundamental basics required.

There is no expectation that when a child turns a certain age they move into the next phase. We know that all children develop at different times so our age is only a guide.
